

# Greater Digital Recruitment

Hanover Recruitment are an award-winning agency specialising in both permanent and contract roles in Technology, Digital Marketing and Design. We work with startups, big brands eCommerce giants and FTSE 100s, and take a bespoke approach to each of our client's hiring strategies.

"THE VIDEO SERVICE IS AWESOME, IT DEFINITELY ADDS A NEW DIMENSION TO THE OTHERWISE FACELESS CVS"

"HANOVER HAVE BEEN FRIENDLY, HONEST AND PROFESSIONAL THROUGHOUT THE HIRING PROCESS"

"WE BUILT A GREAT RELATIONSHIP WITH EVERYONE WE SPOKE TO AT HANOVER AND APPRECIATED THE PASSION AND PERSONAL TOUCH TO EVERYTHING THEY DO"

Our unique services can reduce your interview process by up to 30%

With tailored marketing we can increase candidate engagement with your brand by over 60%

We empower leading digital companies with their greatest asset - their employees. Our business values are who we are and how we work, we believe in being: Transparent, Consultative, Innovative and Personable.

# Unique Services

In a rapidly changing environment, we believe that recruitment can and should be greater. We offer a better experience to both clients and candidates with creative strategies and innovative digital tools. Like the clients we work with, we're raising the bar in our industry with unique services to deliver greater digital recruitment.

Our consultants can reach out to over 1 Million professional connections on LinkedIn as well as over 70,000 technology, digital and design candidates on our specialist CRM.
